

Peddler's Village[®]

Thank you for your interest in the Peddler's Village Scarecrow Making Workshops the weekend of our annual Scarecrow Festival on Saturday, September 12 and Sunday, September 13.

The deadline for advance reservations is Monday, September 7. After this date, reservations must be made in person at the scarecrow making workshop tent on Saturday, September 12 and Sunday, September 13.

GENERAL GUIDELINES

1. The Scarecrow Making Workshop is held rain or shine under the large white tent located on the Street Road Green between A Touch of Britain (shop #23A) and Earl's Prime Restaurant.
2. The \$25 registration fee is for a group of up to four people **maximum** to make **one** scarecrow.
3. The \$25 registration fee includes all scarecrow building materials needed to make one scarecrow and includes; straw, a pair of jeans, a flannel shirt, materials to make a head, and decorations to complete one scarecrow.
4. Small children should be accompanied by an adult. It's helpful for them to have guidance and *their favorite part is usually **decorating** the scarecrow!*
5. Space is limited inside the tent, therefore we ask that additional family and/or friends watch the workshop from outside the tent. Pets are not allowed in the workshop tent due to health codes.
6. Plan to arrive 15 minutes prior to the start of your workshop to allow time for check-in. It is *especially*

important that you are checked in and ready to go at the time your workshop is scheduled. The workshop instructor will demonstrate how to make a scarecrow **during the first fifteen minutes** of the workshop. Staff will be on hand to answer questions, but the demonstration will not be repeated.

7. Dress comfortably for the workshop and remember to remove any jewelry that might get lost in the hay.

RESERVATIONS

1. The Scarecrow Making Workshops are very popular and space tends to fill up quickly. We strongly encourage advance reservations. We are limited to 250 scarecrows each day.
2. Reservations will be held for up to 15 minutes past the start time of your workshop (but the demonstration will not be repeated for **late crows**). Guests that arrive after 15 minutes past the start time of their workshop may lose their reservation. In the event that you lose your reservation, you may reschedule for a later workshop if space is available.
