FREQUENTLY ASKED QUESTIONS

Deposits

We hope you'll choose Peddler's Village for your wedding; if so, we ask for a non-refundable \$1,000 deposit to reserve the space. A subsequent contract will be sent for your review. Take a moment to review the details very carefully and confirm everything is to your specifications. Once comfortable, kindly sign and return the contract with your deposit. Upon receipt of the signed contract and deposit, your pricing is guaranteed.

Payments

Once your contract is executed, we will provide a payment schedule; your schedule is based upon a minimum number of guests and minimum menu items. This is done to allow you to finalize guest count and menus. Three months prior to your event, we ask for a 50% deposit; ten days prior to your reception, we ask that you make your final payment. We accept credit cards or certified check with valid ID. We also ask that you provide a credit card for any additional tabs to be settled at the conclusion of your event.

Minimums

A food and beverage minimum spend is required for all wedding events. The minimum varies based on the time of year and day of the week. Please see your sales manager for specific minimums that will apply to your event.

Parking

As always, we offer free parking.

Directions

We can provide you with a link for direction cards to be included in your wedding invitations. Ask your wedding coordinator for information.

Overnight Guest Accommodations

Our hotel, the Golden Plough Inn, is happy to provide overnight accommodations for any of your guests. Please contact our sales office for rates and availability so that we may assist you in creating room blocks.

Ceremony

Ceremonies take place on our Upper Green facing our iconic Gazebo in the center of our campus. The Upper Green can comfortably accommodate 200 seated guests; smaller ceremonies of 50 or less may be seated within our Gazebo. Set up fee(s) include: chair rentals, set up and breakdown, and ceremony rehearsal (when requested).

Inclement Weather

In the event of inclement weather, we can move your ceremony into our main party room. While your guests are enjoying the cocktail hour, we will transition the room for your reception.

If you would like to have the ceremony room decorated, please arrange for your florist or member of your party to arrive prior to the ceremony to decorate.

We will provide any tables required for your ceremony (unity candle, programs, DJ, etc.). Please inform your coordinator of your needs at your menu meeting.

Rehearsal

A ceremony rehearsal may be scheduled for you based on our availability. We will do our best to accommodate your needs.

Decorations

We suggest that extensive and elaborate decorations may need the assistance of a florist or member of your party.

Menu Tasting

Please contact the sales office to coordinate your complimentary menu tasting for the wedding couple and up to four guests!

Menu Selections

We ask that your menu be finalized two months prior to your event. We ask that you call the sales office to schedule an appointment with our wedding coordinator so that we can discuss all the details of your big day. Prior to this meeting, you should have had your menu tasting. A choice of two (2) entrées plus one (1) vegetarian can be given for no additional charge. Additional entrées are \$2 per guest. Please note all upgrades and enhancements are subject to tax and service charges.

FREQUENTLY ASKED QUESTIONS

Guarantee Guest Count

The final guest count is due by 14 business days prior to your reception. At the time the count is given, you will be required to provide individual entrée counts (if offering a served meal), the number of children's meals, teen meals and service meals.

Children's Meals & Teenagers

Children under 12 years of age may be served chicken fingers and french fries for \$35. Young adults, ages 12-20, may be served the adults' meal with a \$10 discount per guest.

Service Professional Meals

Meals may be provided for your Service Professionals (DJ, Photographer, Videographer, etc.) at a reduced rate \$40 per person. Service Professionals will be served a hot platter, but not all of the package items offered to your guests.

Bar

A four (4) hour Premium Brand open bar is included with your package. The bar typically opens for the first full hour (Cocktail Hour). Service is suspended at the bar momentarily while guests take their place to enjoy your formalities (introductions, first dance, blessing & toast). The bar reopens until the last half hour of the event. This affords a chance for your guests to enjoy coffee before they depart.

- The Premium Brand Bar may be downgraded to a House Brand Bar. This would reduce the price by \$5pp of drinking age.
- We can accommodate your tab for an additional hour of bar service. (5 hours max)
- We provide one bartender per 70 guests. We always provide two bartenders for your Cocktail Hour.

Flowers

Centerpieces are included in your package. Please ask your coordinator for information and assistance.

Dietary Restrictions

We will do our best to accommodate any of your guests' dietary restrictions. Just let us know at your menu meeting.

Reception Decorations

We are happy to assist you with placecards, favors and other small touches. Other more elaborate or time-sensitive decorations may need to be taken care of by a florist or other members of your party. Just coordinate a set up time with us in advance.

Table Linens

We provide white floor length linens and your choice of colored napkins for your reception. If you would prefer specialty linens (colors, patterns, overlays, material, etc.), we're happy to assist you in selecting. There may be additional charges incurred.

Chair Covers

Please ask your coordinator for information and assistance.

Wedding Cake

Your wedding cake is included in your package. There are a variety of flavors, styles, and sizes to choose from; we can assist you in selecting bakeries or vendors. If you would like to use a special vendor, please inform us so that we can assist you in delivery and set up. We have included a list of local bakeries, feel free to contact them to set up your tasting.

DJ/Band

We provide a dressed table for your DJ at the location you desire. Our staff works closely with your DJ or Band to choreograph your event. Please have your DJ and/or Band contact your coordinator to arrange a "load in" time. We ask that all DJs and/or Bands have the capability to elevate speakers.

Final Appointment

We will contact you approximately one week prior to your scheduled event. At that time, we will schedule a final meeting that meshes with your busy schedule. Please bring all items to be preset, which includes, but is not limited to: placecards, favors, toasting flutes, etc. Your party manager will also be in attendance to answer any final questions you may have. If you are having a ceremony rehearsal, you may want to schedule this meeting 30 minutes prior to your final appointment.
